

SECOND LIGHT MARY MACRAE 'ACCESS TO POETRY' MEMORIAL FUND

This provides sums of money, normally up to a maximum of £30, to support the travel costs of SLN members on low income to SLN events. Priority will go to members living more than 30 miles from the event and you are asked to obtain the best fare available for the time of travel, using any Rail Cards you have. The sum granted must be expended on travel by train, bus, tube or car (or a combination) to the event and we ask you to retain and let us examine evidence of expenditure where possible. We will only consider supporting journeys/part-journeys by taxi if a member is unable to use other forms of transport. We will make a matching grant available to a carer if health or disability prevents travel on your own.
