## Inside the Brightness of Red

**Second Light Publications** is proud to publish Mary MacRae's second collection with an Afterword by Mimi Khalvati. These are lyric poems of exceptional skill, variety and emotional depth, including poignant work written when the poet was terminally ill. Her first collection *As Birds Do* (2007) is also available from Second Light Publications.

"We cannot read Mary without becoming her, so strong is her empathy with all living things, so intense her desire to be fully alive, so palpable her sense of mortality ... Hers was a unifying vision which produced an extraordinarily coherent body of work, a true wedding of spiritual and material worlds and, unobtrusively, of form and content." – **Mimi Khalvati**
